

PRODUCT INFORMATION SHEET

TRU-GRIT

Heavy Duty Hand Cleaner

Description

TRU-GRIT Hand Cleaner contains "No Hydrocarbons" and has been formulated especially for use in liquid dispensers. **TRU-GRIT** Hand Cleaner contains the finest polyethylene micro scrubbers with emollients that remain in suspension allowing it to be dispensed from all types of liquid dispensing systems.

Application

TRU-GRIT Hand Cleaner effectively remove heavy greases, oil, dirt, carbon and other associated soils found in industrial workshops. The unique abrasive agent ensures any ingrained soil is removed effectively and quickly while retaining the natural suppleness of the skin. These include workshops, garages, maintenance areas and printing works.

Features and Benefits
