

SUN[®] Platinum-Eco[™] Dishwasher Tablets 5x70TB

Description:

Sun Platinum-Eco Dishwasher Tablets are designed to give your dishes a sparkling clean finish!

Formulated to cut through grease and containing a built-in rinse aid, they add the perfect shine to your dishes.

Readily biodegradable, septic tank safe and free from dyes, perfumes and phosphates.

Sun Platinum-Eco Dishwasher Tablets combine optimum performance with the best in eco-friendliness. Sun Platinum-Eco Dishwasher Tablets are perfect for use on crockery, cutlery, pots, pans and safe on glassware.

Product Features:

- Dissolvable shrink film wrapped tablet.
- Flip top re-closable lid.
- Cuts through grease.
- Stain Removal – starch, minced meat, milk, egg yolk, pasta and tea.
- Protection against lime scale (for water hardness up to 260ppm calcium carbonate).
- Rinse Aid Function.
- Dye and perfume free.
- Phosphate free.
- Septic tank safe.
- 70 Tablets per carton.

SUN[®] Platinum-Eco[™] Dishwasher Tablets 5x70TB

Directions for use:

1. Remove all food scraps.
2. Load dishwasher.
3. Place 1 tablet (without removing the wrapper) in the dispenser, tablet tray or cutlery basket (as per the dishwasher instruction manual).
4. Select appropriate program. Suitable for wash temperatures of 45-70°C. To minimise our impact on the environment, we highly recommend you to wash your dishes on full loads at lower temperatures (lower than 55°C). This will minimise both energy and water consumption and reduce water pollution.
5. Do not use in short or quick wash program.
6. Store tablets in original box and in a cool dry place.

Not to be used on: wood, aluminium, crystal and decorated glassware, antique and hand-painted porcelain, items with handles of bone, wood or crockery and items with gold or other precious metal decoration.
Store tablets in original box and in a cool dry place.
