PINE-O-CIDE^{H2} **DETERGENT BACTERICIDE**

DESCRIPTION

- PINE-O-CIDE** is a concentrated detergent disinfectant designed for use in farm or domestic applications.
- PINE-O-CIDE** Contains a powerful phenolic germicide to rapidly kill all commonly encountered bacteria. It has a refreshing pine fragrance to leave all surfaces smelling fresh.
- PINE-O-CIDE** Contains a blend of detergents for quick and effective cleaning of fats, soil and grease.

APPLICATIONS

Farm: Washing down of dairy sheds and bails. Sanitising and cleaning animal pens and brooder houses. Cleaning woolsheds and all farm equipment.

Home: Wash down of floors, bathrooms, toilets, drains etc., wherever clean and deodorised surfaces are desired.

DIRECTIONS FOR USE

PINE-O-CIDE may be diluted in hot or cold water. For general cleaning and sanitising duties, e.g. mopping floors, washing dairy sheds, brooder pens etc., dilute PINE-O-CIDE 16mls per litre (one cup to a bucket). Best cleaning results are achieved by using warm water. Mop or scrub solution over the surface to be cleaned and allow to dry. For disinfecting lavatories, drains etc. a dilution of 50mls per litre is recommended.

HEALTH HAZARD INFORMATION:

See separate Health and Safety Data Sheet available on request.

PACKAGING: ♦ 5 Litre polyethylene drums ♦ 15 Litre polyethylene drums

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
