# HONEYDEW

Gentle hand wash

Product

- ✓ Natural heavy duty cleaning action
- ✓ Provides all over cleanliness leaving skin feeling velvet soft
- ✓ Concentrated economical formulation
- ✓ Deodorises eliminating the need for harsh antiseptics
- ✓ Suitable for use on sensitive skin
- ✓ Multi-purpose applications

All over hand wash can also be used as a shower gel substitute. Vanilla acts as a natural deodorant while natural honey' restores skin. Suitable for most skin types and chapping and can be used for domestic or heavy duty commercial applications. Also fantastic for use after food preparation as it removes strong odours such as garlic, seafood and onions. Contains natural citrus oils and vanilla.
