SWEET LU

AUTOMATIC TOILET BOWL CLEANSER/SANITISER

Sweet Lu is a high performance, economical and industrial strength, automatic toilet bowl cleaner. Sweet Lu contains powerful cleaning agents. It deodorises and sanitises the toilet bowl as it cleans and is safe for use with septic tanks. Makes toilet water blue with each flush. Easy and safe to install.

Sweet Lu Cleaner

- ✓ Cleans
- ✓ Deodorises
- ✓ Sanitises
- ✓ Value for money
- ✓ Bio-degradable
- ✓ Non-toxic
- ✓ Non-corrosive
- ✓ For domestic or commercial use
- ✓ Phosphate free

Directions for Use:

Simple to install - Life cistern lid and place unit inside. It will take 2-3hrs to activate. Occasionally brush around inside of the toilet bowl with a soft brush. Do not use a hard brush or scourer as they are harmful to the glazed surface of the bowl.
