C-DISH

C- Dish is a highly economical alkaline, chlorinated dishwashing detergent especially designed for use in industrial automatic dishwashing machines. With added sequestrates, it is suitable for all water conditions and will not cause any excess scale build up.

DIRECTIONS FOR USE

To be used in a suitable detergent feeder at a concentration of 2-3mls per litre

SAFETY NOTES C-Dish is highly corrosive. It can cause severe skin burns and eye damage. Glove and safety glasses are highly recommended when handling this product. Avoid breathing vapour or mist. Consult Safety Data Sheet before handling this product.
