| Ecologo™ Certified (1.6 Litre for CTF Ultra is Green Seal Certified). | <ul style="list-style-type: none"> <li>• Provides customers with assurance that the products meet stringent standards of environmental leadership</li> </ul>                                                                             |
| Perfume-free and dye-free                                             | <ul style="list-style-type: none"> <li>• Universally accepted</li> <li>• Perfume-free formulation reduces the potential for allergic reaction and skin irritation</li> <li>• Ideal for people who are sensitive to fragrances</li> </ul> |
| Non-tainting to food                                                  | <ul style="list-style-type: none"> <li>• Suitable for use in environments where food is being handled or produced</li> </ul>                                                                                                             |
| Soap-free formulation with skin friendly pH value                     | <ul style="list-style-type: none"> <li>• Helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection</li> </ul>                                              |
| Contains skin conditioner                                             | <ul style="list-style-type: none"> <li>• Helps the skin feel smooth and firm after use</li> </ul>                                                                                                                                        |
| Generates water economies                                             | <ul style="list-style-type: none"> <li>• Can save up to 45% on water consumption compared to lotion soap use</li> </ul>                                                                                                                  |
| Foam technology provides excellent cost in use                        | <ul style="list-style-type: none"> <li>• Highly economical, only one dose is required to provide effective hand cleansing</li> <li>• Provides over 30% more washes compared to standard lotion soap</li> </ul>                           |
| High quality smooth foam                                              | <ul style="list-style-type: none"> <li>• Wonderfully 'silky-smooth' skin feel when washing helps to improve hand washing compliance</li> </ul>                                                                                           |
| Convenient, quick and easy                                            | <ul style="list-style-type: none"> <li>• Dispenses foam instantly on the hands, reducing the time required to create lather</li> <li>• Quickly and easily rinses away to leave no residues on skin or in the sink</li> </ul>             |
| Biodegradable, mild surfactants in accordance with OECD guidelines    | <ul style="list-style-type: none"> <li>• Does not pollute the environment</li> </ul>                                                                                                                                                     |

## INGREDIENTS

AQUA (WATER), SODIUM LAURETH SULFATE, PROPYLENE GLYCOL, PEG-7 GLYCERYL COCOATE, GLYCERIN, COCAMIDOPROPYL BETAINE, 2-BROMO-2-NITROPROPANE-1,3-DIOL, CITRIC ACID, METHYLCHLOROISOTHIAZOLINONE, METHYLISOTHIAZOLINONE

## STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. Deb products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

## SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/ca/msds](http://www.debgroup.com/ca/msds).

## QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

## PRODUCT SAFETY ASSURANCE

Skin Compatibility Test: The 48hr Single Patch Test results have been validated by a dermatologist to show the product to be 'non-irritant'.

In vitro Eye Irritation Test: Results show product is not irritating to eyes.

## SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

| CLR16LC    | 1.6 litre CTF ultra cartridge | 4             |
| CLR2LT     | 2 litre cartridge             | 4             |

## EFFICACY TESTS

Water Saving: Independent tests show that washing hands with foam soap rather than lotion soap can reduce the average water consumption by as much as 45% (Conclusion of report: "How a simple change in the washroom can significantly reduce water consumption and associated costs", Durrant and McKay, 2011).

## CERTIFICATIONS

Refresh™ Clear FOAM was certified according to the UL Ecologo Standard UL 2784. EcoLogo Certified products, services and packaging are certified for reduced environmental impact. EcoLogo Certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

Green Seal Certification (Stock # CLR16LC) : This product meets Green Seal™ Standard GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. Green Seal offers certification for the products, services and companies that meet Green Seal standards. The Green Seal mark represents compliance with a rigorous set of criteria designed to achieve leadership levels in sustainability. Companies establish an ongoing commitment to health and the environment through annual compliance monitoring and work toward continuous improvement.

## SUITABLE FOR FOOD HANDLING

Non-Food Tainting: Refresh™ Clear FOAM has been independently tested according to 'Sensory Analysis-Methodology - Triangle Test BS EN ISO 4120:2007' and proven to not have the potential to taint food.
