CLEANING EQUIPMENT AND SUPPLIES PTY. LTD.

CARPEX

Carpex is a true combination neutral pH pre-spotter, pre-spray and carpet rejuvenator detergent for use with hot water extraction machines. It has been designed to effectively remove all normal soiling as well as many stains from all types of carpets including synthetic nylons, acrylics, polymer blends, natural wool, cotton fibres and blends whether treated or untreated.

The exclusive Carpex formula blends solvents with superior low foaming surfactants to provide excellent cleaning properties for both water and oil based soiling, as well as eliminating collection problems in the recovery tank. Carpex is available in a various fragrances.

DIRECTIONS FOR USE:

PRESPRAY DILUTIONS

Light Soiling 150mL per 10L
Heavy Soiling 200mL per 10L

EXTRACTION FLUID TANK DILUTIONS

Light Soiling 1 in 200
Heavy Soiling 1 in 100
