### **CREAM CLEANSER**

Cream Cleanser is a powerful cleanser containing a gentle abrasive to remove difficult stains. Cream Cleanser can be used to remove everyday spills on enamel stove tops, saucepans, sinks, taps, benches & white goods. Cream Cleanser is effective in the bathroom, removing soap rings & mould. Suitable for use on enamel, porcelain, fibreglass, acrylic & stainless steel.

### **DIRECTIONS FOR USE**

Dispense a small amount onto a damp sponge or cloth and work the product into the area to be cleaned without applying too much pressure. Wipe clean. When using in food areas rinsing is required.

### **SAFETY NOTES**

**IF SWALLOWED: DO NOT** induce vomiting. If victim is conscious give water and contact Doctor or Poison Information Centre. **EYE:** If material is splashed in eyes, immediately flush with plenty of water for 15 minutes, ensuring eyelids are open.

**SKIN:** If material is splashed onto the skin, remove any contaminated clothing and wash skin thoroughly with water.
