

EXOTICA

A high end exclusive room/space spray with superior fragrance qualities than traditional room deodorants. This high fragrant content spray will give immediate and longer lasting results while delivering a pleasant and unique fragrance that lasts

DIRECTIONS FOR USE

After cleaning, spray Exotica into the air in each corner of the room. Where possible close windows and door to allow time for the perfume to permeate the area.

SAFETY NOTES

Exotica is a flammable product. Ensure that it is stored in a correct manner. For further information refer to the Safety Data Sheet.
