

GRIME TIME

Grime Time is a hard working hand cleaner with natural grit. It is designed to remove grease, oil and most industrial soiling from hands. It is used in mine sites, garages, manufacturing and engineering workshops, auto repair and maintenance workshops. In fact, Grime Time is ideal for hardworking hands anywhere. It is completely environmentally friendly, contains no solvents and no D'Limonene. So not only is this good for the environment it is gentle to the skin. Grime Time contains natural Eucalyptus Oil and is septic safe.

DIRECTIONS FOR USE

Apply about a 20 cent coins worth to your hands and work into the soiling then rinse with water.

SAFETY NOTES

Grime Time is not a poison and is not classified as hazardous under Worksafe provisions. Refer to Safety Data Sheet for further information.
