HEXA ODOURLESS HAND CLEANER

(D.P.I. Approved)

HEXA is an odourless antiseptic hand cleaner formulated for the use where an efficient mild hand soap is specified.

HEXA is particularly suited for use in areas where food products are involved.

HEXA is based on mild anionic surfactants and contains a biocide and humectants to keep skin supple and reduce drying.

HEXA is active against the following pathogens:

Salmonella typhosa
Staphylococcus aureus
Pseudomonas aeruginosa
Escheria coli.

HEXA is a viscous clear red liquid and is odourless.

5 Litre Blue Polyethylene
20 Litre Blue Polyethylene
205 Litre Polyethylene

Suitable for use through LD 502 Teardrop dispensers, Zalpon MK Vii dispensers and directly ex 10 Litre pack. All available ex Tasman.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
