

CHLORINE 100

Chlorine 100 is a 10% hypochlorite solution. It is excellent for general sanitation, swimming pools, laundry bleaching and all round cleaning. It whitens clothes, removes stains and kills germs. Commonly used in commercial cleaning and maintenance in a wide range of commercial and domestic applications .

DIRECTIONS FOR USE:

GENERAL SANITATION

Use 20ml per 10 litres water.

SWIMMING POOLS

As a guide, a daily dose of 10ml per 1000 litres of pool water should maintain a pool adequately under normal conditions - always be governed by your standard Chlorine Test Kit.

LAUNDRY BLEACHING

Use 50ml per 10kg of dry weight of fabric. Premix in the water before adding fabrics.

DE-STAINING CROCKERY & CUTLERY

Soak in a solution of 30ml per 10 litres of cold water.

SAFETY NOTES

Ensure adequate ventilation when using. Vapour may be harmful. Wash hands after use. Avoid contact with skin and eyes and avoid breathing vapour or spray mist. Refer to Safety Data Sheet for more information.
