

WHITEHOUSE

CLEANING EQUIPMENT AND SUPPLIES PTY. LTD.

LAUNDRY SOAKER

An ultra premium quality Laundry Soaker with the power of oxygen bleach and the sophistication of two enzymes and three low foam surfactants. With the added benefit of a lower pH it will not cause long term damage (thinning) to your clothes. With a pleasant long lasting fragrance, Laundry soaker will leave garments looking and smelling fresh.

DIRECTIONS FOR USE

Completely dissolve 1 scoop of Laundry Soaker in 7L of warm to hot water. Add clothes to be soaked using a "swirling" action. SOAK FOR A MINIMUM OF TWO HOURS TO KILL GERMS & overnight for best results. Repeating if necessary. After soaking wash immediately. DON'T ALLOW TO DRY.

SAFETY NOTES

Laundry Soaker can cause skin burns and eye damage. Avoid contact with the eyes and ensure proper handling procedures are followed when using product. For further information refer to the Safety Data Sheet.
