

Hydropro 21

PRODUCT CODE: VW021HY01A01

Hydropro 21 is built to tackle wet and dry environments with high portability for the smaller commercial jobs.

It's compact and powerful, with a 1200W 2-stage by-pass motor for cleaning up the toughest jobs, big or small.

It features waterproof switches to ensure user safety, and keep your floors safe with our non-marking wheels.

The 21L capacity reduces the need for stopping and emptying, increasing productivity.
