

WHITEHOUSE

CLEANING EQUIPMENT AND SUPPLIES PTY. LTD.

Fast Knockdown Low Allergenic

Kill flies and mosquitoes inside your home fast with this clinically tested, low-allergenic, low-odour spray developed for people with asthma and other common allergies.

What it does

Kills flying insects with just a single spray.

How to use

Shake well before use

TO KILL MOST FLYING INSECTS: Close windows and doors and spray high into air for 4-5 seconds. For rapid action spray directly at insect.

TO KILL MOST CRAWLING INSECTS: Spray directly onto insects for fast, effective results.

Benefits

Fast insect control in a reassuringly low-allergenic form.

Where to use

For indoor use only.
